## EAST BRISBANE COMMUNITY CENTRE 2024 END-OF-YEAR NEWSLETTER

### GOODBYE 2024!

As we wrap up another wonderful year, we want to take a moment to thank you for being part of our vibrant community. Your participation makes EBCC a special place!

In 2024, we made new memories with our community members who engaged in our regular programs and monthly workshops. Our weekly walks were and continue to be a great way to stay active and connect with neighbours. Our monthly Play Sessions brought joy and laughter, fostering friendships between families. We also loved our Wise Owls outings, which provided opportunities for exploration and fun for the seniors in our community.

Looking ahead, we're excited to announce our Christmas special workshops! Join us for wreath making and bauble decorating - perfect for getting into the holiday spirit. These workshops will be a fun way to create festive decorations whilst celebrating the closure of the year together.

Thank you for your continued support.  
We look forward to sharing more experiences with you in 2025!

Love, Jonnie Timmermans & Fran Chicas
