EAST BRISBANE COMMUNITY CENTRE 2024 AUTUMN/WINTER NEWSLETTER

FRIENDS OF EBCC

Welcome to another edition of the EBCC Community Newsletter! The last couple of months have been filled with lots of joy, laughter and human connection. We've explored the City Botanic Gardens with our Wise Owls, ventured to a variety of lovely local cafes with our Walking Pals and developed more friendships within our Play Session group.

In the upcoming colder months, we have some fun, unique, winter-special workshops in store for you PLUS some popular returning workshops, such as sewing, pottery and painting!

Workshops and programs are followed by morning tea, all of which are free of charge! Stay around for a friendly chat with your neighbours following each session. We hope to see you soon!

Love, Jonnie Erica Timmermans, Fran Chicas & Erin Titmus
