EAST BRISBANE COMMUNITY CENTRE 2023 WINTER NEWSLETTER

FRIENDS OF EBCC

We are thrilled to see that our EBCC community has grown since the release of our last newsletter!

We are striving to continue developing this beautiful community and create a safe and nurturing space where individuals feel a sense of belonging.

In the past couple of months we have hosted our regular programs and special workshops, free to the public, including the Kokedama workshop facilitated by Mikiko, and a Vegan Cooking Class & Lunch, run by our friend Mike. Both sessions were booked to capacity!

The EBCC team has some exciting winter workshops and programs in store for you. We hope to see you soon!
